## August 2017 Quilt Kit Challenge Reminder.

Don't forget to be working on the August quilt kit challenge...3 months left and counting!!

### Missouri Valley Quilters Guild Board Meeting Minutes Wednesday April 3, 2017

Present: Del Rae Martin, Susan Schwarz, Penny Wolf, Michelle Ripplinger, Sandy Washek, Effie Carr

Next meeting will be held on Thursday, May 18th at House of Prayer Lutheran Church. Upcoming meetings will include: June information on pins and needles, hand quilting, embellishments. Reminder of the August challenge

Treasurer's Report - Current Balance - \$4,299.88 (includes Warm Start balance - \$427.85)

National Teacher - Income from National Teacher - \$3,413.00; Expenses - \$2,675.31; Balance - \$737.69. Cathy Wierzbicki's fees were approximately \$200 less per workshop than previous teachers; did not need to pay air fare - contributed to the \$737.69 balance. Michelle Ripplinger will submit a report.

Discussed having a "Stay Vacation" rather than a national teacher. The "Stay Vacation" would be in Bismarck, rent a large room at a hotel for a weekend where the sewing machines could be left overnight and quilters could bring their projects and sew all weekend. Like the Frozen Frolic but in Bismarck where quilters could go home every night. This event could be held every year rather than every other year (i.e. National Teacher.) If the Guild members are interested in this a committee should be formed.

If Guild members would like to sponsor a national teacher in 2018 - consider moving the date of the event to the fall. A committee should be formed also if this option is chosen.

Christmas Party - Committee includes Diana T, Barb Emery, Melinda, Barb Wrolstad and Denise Rossert. .

Frozen Frolic - February 16, 2018.

Officers - Need "newsletter apprentice" next year - to work with Sandi Washek; Vice President and Secretary Positions also need to be filled.

Missouri Valley Quilter's Survey... any info you can give will help our board plan meetings that keep us moving forward as quilters!

What would you like to see happening at MVQ?

Is there a technique that you would like to learn at one of the upcoming meetings or at a one day workshop?

Is there a technique that you would like to teach or demonstrate at an upcoming meeting?

Do you know someone else that would be able to demonstrate or teach at an upcoming meeting?

Is there a topic that you would like to hear discussed in an open format?

Dear Quilting Friends,

We are excited to announce our second annual outdoor quilt show, which will be held Saturday June 17, 2017 from 10 am to 4 pm. Last year's show exceeded our expectations and we look forward to an even bigger and better show this year. The show will be located on the corner of Towne Street and Meade Avenue in Glendive, Montana; hosted by The Enchanted Room, Enchanted Living, and Glendive Nursery. This year there will be quilts displayed in many Glendive businesses. We will have a passport for you to get stamped as you visit these local businesses. Completed passports will be entered into a drawing for prizes.

We will have a variety of vendors with products from buttons to bakery to barbecue. Local crafters will also be selling their handmade projects.

"Create joy in every day" by shopping at The Enchanted Room where there will be quilting project demonstrations and Enchanted Living where we will offer food samples.

The quilt show will be display only.

- \* To participate, your quilts need to be at The Enchanted Room by 8 am the morning of June 17.
- \* Quilts are welcome one week prior to the event and may be left at The Enchanted Room.
- \* Quilts need to be identified with a fabric label with name, address, and phone number (either sewn or safety pinned to back of quilts).
- \* At 4 pm on Saturday June 17, we will be taking down quilts and would appreciate your help in identifying your quilt(s) and assisting us with this process.
- \* In the case of inclement weather the Glendive United Methodist Church on the corner of Towne Street and Kendrick Avenue has generously offered us the use of their building.

Join us for a memorable day walking through a serene garden to admire all of the beautiful quilts that very talented quilters from the region have created. If you have any questions, please call us at 406-377-4745.
